

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I HAVE BEEN TAKING HEMP HEARTS FOR 5 yrs now.
I take them in the morning sprinkled on my breakfast cereal or pancakes. They give me more energy. I notice the difference if I do not take them. I am in my fifties & a woman.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

With eating only three heaping Table spoons, my energy level stays up through the day.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

My energy has increased somewhat since I am taking Hemp Hearts.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

I AGREE WITH THE ABOVE STATEMENT

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening. Please describe your experiences regarding energy and Hemp Hearts:

I work as an electrical apprentice and I do notice that I have more energy to get through the day.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening. Please describe your experiences regarding energy and Hemp Hearts:

I went away on a holiday for 2 days & did not take any hemp hearts. I noticed a difference in my energy levels. Hemp seeds are natural!!

We claim that diabetics who use Hemp Hearts in quantity each morning with assorted vegetables, totally avoiding sweet fruit, starches and processed foods—minimizing their weight—are often able to improve circulation and reduce their dependence on insulin. Please describe your experiences with Hemp Hearts and any serious health condition:

none noticed other than energy level is up and not as tired through the day

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening. Please describe your experiences regarding energy and Hemp Hearts:

From the time I started using Hemp Hearts I noticed a marked improvement in my energy level.
