

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.  
Please describe yourself and the length of time that you have been using Hemp Hearts:

I have always been healthy, hemp hearts has given me extra energy & I am sure the vitamins in hemp are extra good for me. 7 years.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.  
Please describe your experiences regarding energy and Hemp Hearts:

My husband @ 72 can outwalk many men half his age. He is retired from the RCMP and is currently the "Project Manager" to build a 1500 seat new church. He is busy everyday.
