

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I am a 75-year-old woman who has made hemp hearts an integral part of my nutrition for 5 years. I am extremely active, helping my elderly friends with their housework and shopping as well as doing all my own.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

My energy level is excellent all day (and early evening) when I eat hemp hearts.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

My energy level is the envy of my friends and the family - people say they don't know how I keep up - where do you get your energy from and I tell them from 'hemp hearts'.
