

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.
Please describe yourself and the length of time that you have been using Hemp Hearts:

I have been eating hemp hearts for approx 2 years. I am a 72 yr old female and believe I have more energy when eating hemp hearts.

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.
Please describe yourself and the length of time that you have been using Hemp Hearts:

I have been using hemp hearts for over a year. I work at Big Sky and the work is very intense at times. With out my hemp hearts I wouldn't have lasted at this job as long as I have.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.
Please describe your experiences regarding energy and Hemp Hearts:

I have more energy eating hemp hearts but I am very active and often have afternoon naps.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.
Please describe your experiences regarding energy and Hemp Hearts:

Increased energy.
