

19A

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

At 90 years of age I wouldn't be without Hemp Hearts I have stopped taking cod liver oil tablets, and constipation tablets since these two are both included in Hemp Hearts. I have been on the Hemp Hearts for 6 years and have recommended them to my friends with the same problems as I have had.

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.

Please describe your experience regarding hunger and Hemp Hearts:

Since taking in the morning I do not get hungry until 3:00 p.m., then I have a piece of fruit to tide me over until supper time.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

Of course this product is full of energy.

We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.

Please describe your experiences regarding digestive health and Hemp Hearts:

19B

We claim that those who consume five heaping tablespoons of Hemp Hearts with long fiber foods for breakfast, who avoid consumption of anything with calories until evening and who then restrict themselves to a bare vegetable salad at 6 PM can lose one pound each day.  
Please describe your weight control experiences with Hemp Hearts:

I do not have weight control problems. I have weighed the same since I was 20 years old. I am 5'7" & weigh 135 lbs.

We claim that those who use Hemp Hearts in quantity every morning with long fiber foods, who minimize their weight by avoiding sugar, starches and processed foods, inevitably notice improved tissue health--reduced tissue inflammation and improved tissue elasticity.  
Please describe any external changes experienced with respect to skin and hair conditions:

Everyone says I do not look 90 years old - more like 70. I have a full head of white hair in good condition.

Please describe any internal changes experienced relative to pain and tissue inflammation:

Not even any inflammation problems.

Please describe changes to blood pressure indicative of changes in the elasticity of arteries:

no problems here

We claim that diabetics who use Hemp Hearts in quantity each morning with assorted vegetables, totally avoiding sweet fruit, starches and processed foods--minimizing their weight--are often able to improve circulation and reduce their dependence on insulin.  
Please describe your experiences with Hemp Hearts and any serious health condition:

no diabetes.
