For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I have been taking Hemp Hearts for the past 8 yrs. I have a health history of cancer, high blood pressure and hypothyroidism. I believe in taking Hemp Hearts in the maintenance of my health as I go into my 70's.

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.

Please describe your experience regarding hunger and Hemp Hearts:

By eating the Hemp Hearts each morning as suggested I find my appetite is remaining less and I am not hungry so I eat much less at meal times.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

I do have a high energy level all during the day and I can accomplish all my goals & tasks I set out for the day.

We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.

Please describe your experiences regarding digestive health and Hemp Hearts:

I am very regular.

We claim that those who consume five heaping tablespoons of Hemp Hearts with long fiber foods for breakfast, who avoid consumption of anything with calories until evening and who then restrict themselves to a bare vegetable salad at 6 PM can lose one pound each day.
Please describe your weight control experiences with Hemp Hearts:

I am maintaining my satisfied weight

We claim that those who use Hemp Hearts in quantity every morning with long fiber foods, who minimize their weight by avoiding sugar, starches and processed foods, inevitably notice improved tissue health--reduced tissue inflammation and improved tissue elasticity.
Please describe any external changes experienced with respect to skin and hair conditions:

I do not crave or eat sweet starchy foods that are processed. Any baking I do is made from scratch & with minimal amount of sweetener (honey usually)

Please describe any internal changes experienced relative to pain and tissue inflammation:

I am all clear from pain & tissue inflammation.

Please describe changes to blood pressure indicative of changes in the elasticity of arteries:

I have avoided medication for high blood pressure, by taking Hemp Hearts and other alternatives and living a stress free life style.

We claim that diabetics who use Hemp Hearts in quantity each morning with assorted vegetables, totally avoiding sweet fruit, starches and processed foods--minimizing their weight--are often able to improve circulation and reduce their dependence on insulin.
Please describe your experiences with Hemp Hearts and any serious health condition:

Not a diabetic.
