For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I am a retired person. The length of Hemp hearts consumption is a little bit over a year.

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.

Please describe your experience regarding hunger and Hemp Hearts:

I have higher acidity in my stomach and used to eat very often. I feel that I can go for longer break between food consumption.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

These hearts are really working as an ^{energy} boost.

I am doing much more walking than I used to.

We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.

Please describe your experiences regarding digestive health and Hemp Hearts:

I am on constipation side usually. With consumption of this source of protein, I eat much less meat than ever. My digestion is way better than ever before.

We claim that those who consume five heaping tablespoons of Hemp Hearts with long fiber foods for breakfast, who avoid consumption of anything with calories until evening and who then restrict themselves to a bare vegetable salad at 6 PM can lose one pound each day.

Please describe your weight control experiences with Hemp Hearts:

I still eat 3 times a day. But everybody compliments my slimmer body since I started on hemp hearts.

We claim that those who use Hemp Hearts in quantity every morning with long fiber foods, who minimize their weight by avoiding sugar, starches and processed foods, inevitably notice improved tissue health--reduced tissue inflammation and improved tissue elasticity.

Please describe any external changes experienced with respect to skin and hair conditions:

The addiction to the sweet snack is almost over.
The skin and hair looks much healthier.

Please describe any internal changes experienced relative to pain and tissue inflammation:

The latest analysis of my blood shows less acidity in the stomach and better thyroid activity.

Please describe changes to blood pressure indicative of changes in the elasticity of arteries:

The blood pressure is a bit lowered too.

We claim that diabetics who use Hemp Hearts in quantity each morning with assorted vegetables, totally avoiding sweet fruit, starches and processed foods--minimizing their weight--are often able to improve circulation and reduce their dependence on insulin.
