For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I used Hemp Hearts about 3 years ago for about 6 months. It helped me lose unwanted weight. This time I've been using it for about 6 weeks and have lost several inches from my hips already (one size in pants)

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.

Please describe your experience regarding hunger and Hemp Hearts:

I eat about $\frac{1}{2}$ to 1 cup of cereal with 5 TBSP Hemp Hearts at breakfast. Often I'm not hungry until 2pm. or if I'm at work I eat a small salad with chicken ~~or~~, tuna or salmon.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

I have experienced having more energy since I've started eating Hemp Hearts.

We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.

Please describe your experiences regarding digestive health and Hemp Hearts:

The thing I like about Hemp Hearts is that I'm not constipated and this is a concern because my grandmother died of colon cancer.
