

74 A

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I am a 70 yo old woman who is very active, Class one truck driver, sheep and horses on acreage. I also cut and split my own fire wood. I've taken Hemp Hearts for four years.

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.

Please describe your experience regarding hunger and Hemp Hearts:

Even ^{with} my very active life style I don't eat lunch but often have a small snack 2-3pm.

We claim that because of the essential fat content of Hemp Hearts that unless an individual is considerably overweight or extremely active, most individuals who eat five heaping tablespoons of Hemp Hearts each morning will have sufficient energy until evening.

Please describe your experiences regarding energy and Hemp Hearts:

Hemp Hearts give me all day energy without the full feeling from a regular lunch. Not having to eat 3 meals a day and lose my energy is great.

We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.

Please describe your experiences regarding digestive health and Hemp Hearts:

I have spent all my life dealing with constipation. All that has since been great since taking Hemp Hearts. I put my Hemp Heart in my oatmeal porridge every morning.
