I am a retired married male aged 90 years. My wife and I have taken Hemp Hearts for 4 years (3 heaping tablespoons with breakfast porridge) plus flax meal and wheat germ. We have both enjoyed 2 bowel movements daily and are very satisfied with the product.

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.
